

REFER A FRIEND AND BE REWARDED

Hi all,

As you know, here at Absolute In Home Care we are always looking to grow our support teams with talented people, just like you.

As our business grows and our current employees have no availability remaining, we want to give our current employee's a chance to make a few extra dollars by referring new workers.

If you know someone who you think would be a great fit here, let us know and let them know.

To make this process easier for all, please ask your friend to send through their resume with a cover letter telling us why they would be a great Support Worker and why they want to work with Absolute In Home Care. If they have any questions they are welcome to give our friendly team a call Ph: 9455 8989.

If you are referring a friend or forwarding a copy of their resume, please tell us:

- The name of the person you are referring and how you know them? (e.g. "X is a former colleague from Y company")
- If you've previously worked together, mention one or two things that make your friend a good coworker and what their best skills are. (e.g. "always on time", "super reliable and committed" or "caring towards others and always goes out of their way to make other's happy")

If you have any questions or your friend has any questions, feel free to contact our friendly team in the office. Look forward to hearing from you and your friends.

Thank you!
